

Bench driller FLOTT TB 13 STW

State

Category Drilling machine

USED

331202092

Brand FLOTT

Model TB 13 STW

Year of manufacture 1987

Inventory number 3166

CHARACTERISTICS

Speed selection by diameter and material
Electronic spindle controller
Constant spindle speed on load
Drilling head height adjustable by pneumatic compensator
Fine setting of drilling depth
Electronic protection of the engine

Technical data

Serial number

Spindle speed : 400-4500 t/minDrilling in steel max \emptyset : 10 mmDrilling in cast iron max \emptyset : 13 mm

Range of drilling : 60 mm

Distance spindle / column : 185 mm Work surface : 220 x 300 mm

Motor power : 0,5 kW Electrical supply : 220 V

COMPOSITION AND ACCESSORIES
